Sir:

Further to the Information Disclosure Statement filed concurrently with the filing of this continuation-in-part application, the Supplemental Information Disclosure Statement filed December 14, 2001, and the Second Supplemental Information Disclosure Statement filed January 7, 2002 applicants herewith cite additional prior art which may be material to the patentability of the application and which is identified on the enclosed completed Forms PTO/SB/08A and 08B.

Copies of the prior art identified in the enclosed Forms PTO/SB/08A and 08B are enclosed.

In accordance with MPEP §§609 and 707.05(b) it is requested that each document cited be given thorough consideration, and that it be cited of record in the prosecution history of the present

application and the patent to issue on the present application by initialing on the Forms PTO/SB/08A and 08B.

The present Information Disclosure Statement is being submitted in compliance with 37 CFR 1.56 as an Examiner might consider any cited document important in deciding whether to allow the application to issue as a patent, but the citation of any document herein is not to be construed as an admission that such document is necessarily relevant or prior art. Moreover, no representation is intended that any cited document represents the results of a complete search or that the Examiner in the normal course of examination, will make an independent search and will determine the best prior art consistent with 37 CFR 1.104(a), and in the course of such search will review for relevance every document cited on the attached Form PTO/SB/08A and 08B even if not initialed.

Respectfully submitted,

Dated: October 29, 2002
